Dr. Robert A. Dickman is the founder and Clinic Director of Dickman Chiropractic Corporation and has been in continuous private practice in San Jose / El Dorado Hills / Folsom, CA, since August 1998. A Cum Laude graduate of Palmer College of Chiropractic West in 1997, he brings over 25 years of clinical experience and advanced training to patient care.

Dr. Dickman holds advanced academic credentials in **Trauma, MRI Interpretation, Hospital, Expert Witness, Primary Spine Care, and Evaluation & Management** through Cleveland University Kansas City, with all programs credentialed through the State University of New York at Buffalo, Jacobs School of Medicine and Biomedical Sciences, Office of Continuing Medical Education. In 2024, he completed the Fellowship in Primary Spine Care (F.P.S.C.), a two-year post-doctoral program in joint providership with SUNY Buffalo, Cleveland University Kansas City, and the Academy of Chiropractic.

Dr. Dickman has also been recognized with the Clinical Excellence Award and the Lifetime Achievement Award from Pi Tau Delta International Chiropractic Honor Society, both awarded upon his graduation from Palmer College of Chiropractic West, along with the National Workers' Compensation and Occupational Medicine AMA Physician's Recognition Award.

While Dr. Dickman has significant experience evaluating and documenting injury cases in medical-legal settings — including thousands of Qualified Medical Evaluations, Agreed Medical Evaluations, and Independent Medical Evaluations as a California-appointed Q.M.E. since 2002 —his practice remains grounded in clinical excellence and patient-centered care. His expertise and detailed, evidence-based reporting have also contributed to improved outcomes in settlement and verdict cases.
